

Jose's 85th birthday celebration supports the Cornwall Blind Association

What gift do you get for someone's 85th birthday when they are sure that have everything they need? That was the thought which crossed the mind of Jose Wells when she planned a party for her family and friends on 28th March 2009 at Carnon Downs Village Hall. "No presents, but donations for the Cornwall Blind Association gratefully accepted" read the invitations.

A tremendous party with live music and a spectacular buffet encouraged people to dig deep into their pockets for a very worthy local cause, which Jose supports wholeheartedly having benefitted a great deal from their services since she was diagnosed with Age-related Macular Degeneration in 2003.

Thanks to the overwhelming generosity of her guests, the Cornwall Blind Association has received a donation of £480.00.
